## OUR VALUES

**Container Conversions Zimbabwe(Private)Limited,our core values define our business interms of the principles and values that we follow**

- integrity
- customer satisfaction
- Quality
- Value
- Safety&Performance

## Why Converted Containers

-  **Durability/Security**
-  **Ideally suitable to the rugged environment**
-  **Mobility—units easily relocated**
-  **two or more units can be joined together or double stacked where space is constraint**

## Shipping/Transport

units can be transported in a completed modular building or in a kit form and erected on site, saving on transport and shipping costs

## Prefabricated units

### Advantages

#### Customization

units fully customized to customer specifications  
interms of dimensions and finishes

#### Versatility

units can be built onto a steel chassis for mobility  
or built directly onto concrete slabs for more permanent structures
